## Description

Eva a is a S2P SRC protection class safety shoe recognized for its comfort and durability. The details make the shoe, from the abrasion resistant Direct Injected PU sole to the flexible and light perforation resistant KEVLAR midsole, a safety shoe has never been so cute.

Foot health and comfort are ensured by the Black Full Grain Leather upper, a Black Breathable Aniline Leather lining, and a Steel toe cap (impact-resistant to 200 J).

Safety shoe available from size 36 to 42, Eva is the ideal shoe for light industries and services, executive, electronic services, horeca and healthcare activities.
